1. The above stated holiday list is subject to change by management in case of relevant circumstances at that point in time.
2. Please note that Engineers & Developers involved in projects where the client is working on above stated dates then as per their TL/PL/Director's instruction relevant personnel will have to dispense the duty on those days.
3. Besides the list of Holidays, you may also have 1 additional optional holiday in the entire year to celebrate religious or festival days which may be necessary to observe due to societal nature. Please note, if the leave is taken without informing your Reporting Manager 3 days in advance then it may lead to absence based on senior's discretion.
